

Expired Listings

STOP!!! DON'T MAKE THE SAME MISTAKE AGAIN!

You have probably been bombarded with agents wanting to list your house.

Isn't it funny how nearly every agent that calls or writes says that: "I'm the best!", "I'm number 1", and "I can sell it". Please don't just sign up again with an agent who only tells you how great they are.

This time pick a team who has a **WRITTEN MARKETING PLAN** that has been responsible for selling hundreds of homes like yours.

Pick a team who has a **WRITTEN, 100% SATISFACTION GUARANTEE** that puts **YOU** in control.

Pick a team who will show you how to "**DRESS YOUR HOUSE FOR SUCCESS**" and sell quickly for top dollar. Studies show that homes prepared for sale and showings sell first and net

the seller more money.

Pick a team that **KNOWS HOW TO EFFECTIVELY USE THE INTERNET** to market your home. Our web site, www.ATLHOME.com has received well over 300,000 documented visitors and brings many buyers to our listings. Many of these buyers are moving to the area from other cities and even other countries. This huge pool of buyers can not be reached effectively by traditional advertising methods.

Call us today to get your house SOLD! this time.

Best Regards

The Mazza Team
